Librarian's Report

LIBRARY HOURS

Tuesday—2-8:15 P. M. Saturday—2-6 P. M.

The library continues to be used more and more. The number of books loaned in 1934 was 5,926, an increase of 206 over 1933. The circulation from the North Monroe branch was about 450.

The grade school pupils are allowed to visit the library in school hours on Tuesdays and they have used the library more than ever before. Their reading lists on the blackboard are interesting. Some children have read over 20 books since September.

The academy students have not used the library as much as they did last year because their outside reading has been supplied at the academy by collections of books from Vermont State Library.

We hope to buy more new books for both children and adults next year. Increased use of books wears them out. Many have to be discarded or replaced. Suggestions of books you would like to have bought are welcomed. We want the library to be of service to every one.

AGNES H. LITTLE,
Librarian.

Report of the Superintendent of Schools

To the School Board and Citizens of Monroe:

I herewith present my fifth annual report as superintendent of schools.

The total inrollment for the year 1933-1934 was 85; the per cent of attendance, 95.51; pupils not absent or tardy, 6; cases of tardiness, 38; number of school visits made by board members, 11; by the superintendent, 115; by citizens, 85. Twenty-one high school pupils attended McIndoes academy, two attended Littleton High School, and one attended Kimball Union Academy.

The six pupils on the roll of honor for perfect attendance were Dale Gibson, Doris Moore, Richard Carter, Elwyn Gibson, Philana Slack and David Lang.

A class of eleven was promoted in June from the eighth grade to the high school; Doris Bedell, Robert Carlisle, Doris Champany, Pauline Emery, Chester Gould, David Johnson, Teresa Knights, Lyle Lang, Doris Moore, Philip Ward, Geneva Worster.

For the current year, 1934-1935, the enrollment has been 89. The teachers at present are Mildred L. Holcomb, grades VII-VIII; Lillian D. Stone, domestic arts and grades V-VI; Margaret R. Cyr, grades III-IV; Harriet F. Wilton, grades I-II; Alice M. Brown, vocal music; C. George McLure, band instrumental music; Lottie M. B. Underhill, school nurse. Miss Connolly had planned to return in the fall but illness forced her to take the year off. Miss Jewett taught part of the

year then resigned in November to become assistant county agent for the Four H Club work. We wish to express to both Miss Connolly and Miss Jewett our appreciation for the fine work they did while in the school. In addition to those in the local school thirty high school pupils are in attendance at McIndoes Academy and one in Littleton High School.

Monroe is more fortunate than almost any town in the state in being able to secure any needed equipment and carry on the activities in music, domestic arts, manual training, athletics, hot lunches and clinics. Sixty-five children had dental work done, 3 had tonsils removed, and 6 had glasses fitted for vision defects. In these days of changing conditions it is a decided advantage for a child to learn how to make good use of his leisure time.

Respectfully submitted,
EDWARD A. JANES.
